

This template fits a  
mini legal notepad that is  
5-1/4" x 3-1/2" wide.  
Dotted lines are fold lines  
and solid lines are cut lines.  
Use a corner rounder  
on the inside center  
bottom edges, if you wish.

Fold these flaps in  
and use sticky strip  
or another good adhesive  
to attach them to the inside  
of the folder.
